Franchise Expansion for Beede Site-Plaistow
Compliance Filings – Map and NHDES RSA 374:22 Letter

Dear Chairman Goldner:

On March 14, 2022, Pennichuck Water Works, Inc. filed a number of items in compliance with Commission Order No. 26,592. Those items were:

1. Revised Tariff Page 3.
2. Affidavit of posting of Order No. 26,592.
3. Affidavit of transmittal of Order No. 26,592 to the NHDES.

In addition to those items, the Commission also ordered the Company to file:

1. A map of the expanded franchise area; and
2. Proof from the NHDES concerning the suitability and availability of water to serve this franchise expansion.

Therefore, to complete these last two prerequisites to full effectiveness of Order No. 26,592 on April 11, 2022, please see the attached map of the expanded franchise area as well as an updated letter from NHDES concerning suitability and availability of water.

Thank you in advance for your assistance with this filing.

Very Truly Yours,
