**Re: Docket No. DW 20-184 - Request for Change in Rates
Aquarion Water Company of New Hampshire, Inc.
Request to amend procedural schedule**

Director Howland:

By Secretarial Letter dated March 24, 2021, the Commission approved a procedural schedule in the instant docket. Aquarion Water Company of New Hampshire, Inc. (“Aquarion”) has an unresolvable conflict on August 19, the date of the next technical session in this docket. Aquarion now requests, with the assent and support of Commission Staff and all parties to the docket that the Commission amend the procedural schedule, moving the above-mentioned technical session to August 16, with data requests to follow the next day, August 17. The remainder of the proposed procedural schedule will remain unchanged. Modifying the procedural schedule would better facilitate the availability of all parties and not unduly delay this proceeding.

Following the March 17th letter of the Commission this petition is being filed electronically only; paper copies will not follow. If you have any questions, please contact me. Thank you for your assistance with this matter.
