**Re: Docket No. DW 20-184 - Request for Change in Rates
Aquarion Water Company of New Hampshire, Inc.
Updated tariff pages reflecting temporary rates – corrected filing**

Chair Martin:

Pursuant to the New Hampshire Public Utilities Commission (“Commission”) Order No. 26,488 in Docket No. DW 20-184, the attached revised updated tariff pages are being filed on behalf of Aquarion Water Company of New Hampshire, Inc. These updated tariff pages reflect the temporary rates as agreed upon by the parties to the settlement agreement in this docket, approved by the Commission in the above-mentioned Order.

This corrected filing is submitted pursuant to a letter from the Commission’s tariff administrator dated July 26, identifying corrections needed in the pagination portion of the page headers, and a need to list the Order authorizing the revision of these pages in the footer. Those corrections have been made as directed by the letter.

Following the March 17th letter of the Commission this compliance filing is being made electronically only; paper copies will not follow. If you have any questions, please contact me. Thank you for your assistance with this matter.
