**Re: Docket No. DW 20-184 - Request for Change in Rates
Aquarion Water Company of New Hampshire, Inc.**

Chair Goldner:

In accordance with the Commission's Order No. 26,761 issued January 19, 2023 (the "Order"), enclosed on behalf of Aquarion Water Company of New Hampshire, Inc. (the "Company") is a revised Stipulation containing signatures of all the parties. The Stipulation is unchanged from the version filed on November 21, 2022 with the exception of the new signature page that appears at Bates page 7.

In addition, attached is a corrected Detailed Explanation with all numbers consistent with the Stipulation and attachments, as required by the Order. The Detailed Explanation shows all changed numbers in bold. The Company has also provided an annotated version of the Detailed Explanation that shows all changes to the version filed on December 23, 2022, including cross-references to the Stipulation and attachments.

The filing of these materials completes the compliance requirements contained in the Order.

Consistent with current Commission policy, this filing is being made electronically only; paper copies will not follow. If you have any questions, please contact me. Thank you for your assistance with this matter.
