Re: Docket No. DW 20-184 - Request for Change in Rates
Aquarion Water Company of New Hampshire, Inc.
Corrected clean sixth revised page 14 and clarification

Mr. Martin-McDonough:

In response to your tariff non-compliance letter dated April 12, 2023, Aquarion Water Company of New Hampshire (“Aquarion”) provides the following clarification and correction.

Regarding your inquiry about the “Per Quarter” column on Sixth Revised Page 12, as part of this docket to set permanent rates, Aquarion proposed that it no longer provide quarterly billing, which was agreed to and approved by Order No. 26,569 approving permanent rates. Consequently the “Per Quarter” column was eliminated to reflect that quarterly billing is no longer offered. Therefore both the redlined and clean versions of this page are correct.

In response to your inquiry about Sixth Revised Page 14 and the two columns in the clean version labeled “Current” and “Step”: this was some kind of formatting error, the cause of which is unknown. These columns did not belong and are not relevant to the information that is supposed to be on Sixth Revised Page 14. A corrected clean copy of the page is attached.

Consistent with current Commission policy, this compliance filing is being made electronically only; paper copies will not follow. If you have any questions, please contact me. Thank you for your assistance with this matter.
