Aquarion Water Company of New Hampshire, Inc. Request for Change in Rates

Puc 1905.04(b) RATE CASE EXPENSES CERTIFICATION

With respect to the expenses incurred by the service providers retained by Aquarion Water Company of New Hampshire, Inc. ("Aquarion") for work done in Docket No. DW 20-184, I, Debra Szabo, have firsthand knowledge of and certify the following, consistent with the requirements of Puc 1905.04(b):

(1) Aquarion used a competitive bidding process conducted consistent with its procurement procedure, and in selecting the winning bidders, considered information concerning the availability, experience, customary fees for similar services, quality, and cost of the service providers;

(2) The time spent on this case by the service providers was undertaken in an efficient and cost-effective manner.
