The proposed procedural schedule would replace the remainder of the current procedural schedule. No objections to Energy's motion were filed.

It has been determined that the proposed amended schedule is in the public interest and, therefore, Energy's motion to amend procedural schedule is GRANTED. The foregoing amended procedural schedule is approved, with the following exception. The May 4, 2022 hearing date is no longer available on the Commission's hearings calendar, so a hearing has been scheduled on Friday, May 6, 2022 instead. The hearings on permanent rates will now be conducted on Thursday, May 5 and Friday, May 6, 2022, starting each day at 9:00 a.m. They will be conducted in person, in accordance with the hearing guidelines issued on December 17, 2021.
