PUBLIC UTILITIES COMMISSION**

DW 20-187

LAKES REGION WATER COMPANY, INC.

Request for Change in Rates

Procedural Order Re: Proposed Procedural Schedule

The Commission approves the proposed assented-to procedural schedule, filed by the New Hampshire Department of Energy (DOE) on August 28, 2023, regarding resolution of Lakes Region Water Company, Inc.'s request for approval of rate case expenses and reconciliation of temporary rates in the above-captioned docket. This procedural schedule amends the procedural order dated August 15, 2023, so that the DOE shall file its recommendation by October 26, 2023, unless the parties have filed a settlement agreement by that date.

So that the Commission can note the parties' October 3, 2023 technical session on its calendar and thereby avoid future scheduling conflicts, the DOE is requested to notify the Clerks' Office when this technical session is scheduled to end.

So ordered, this thirty-first day of August, 2023.
