Petition for an Order on Amended License to Construct and Maintain Elective Lines
Over and Across the North River in Nottingham and the Oyster River in Lee

DE 20-200 / Order No. 26,460

Dear Chair Martin and Members of the Commission:

Please be advised that I represent the Town of Lee which received an Order from your office on March 12, 2021 concerning a petition from Eversource to amend their license and allow for replacement poles in Lee. The Order indicates that it will be effective after March 22, 2021 if no requests for a hearing and/or no public comment is received by that time.

Unfortunately, the Lee Selectboard is not meeting until March 22, 2021. We will promptly respond to the Commission after the March 22, 2021 meeting if there is any comment or request for a hearing but ask that the deadline for comments be extended to allow the Lee Selectboard to discuss the matter at their March 22, 2021 meeting.

I have advised Erik Newman, Senior Counsel of Eversource, of the issue concerning the Selectboard meeting schedule.
