***Re: DE 21-020 Public Service Company of New Hampshire d/b/a Eversource Energy and Consolidated Communications of Northern New England Company, LLC d/b/a Consolidated Communications – Joint Petition to Approve Pole Asset Transfer***

Dear Chairwoman Martin:

This letter is submitted on behalf of New England Cable and Telecommunications Association, Inc. (“NECTA”) for the purpose of notifying the Commission and parties to the above-captioned docket that NECTA concurs with the relief sought in the Department of Energy Regulatory Support Division’s Motion for Stay of Proceedings Pending the Outcome of Motions to Dismiss and Compel. Pursuant to Ms. Howland’s letter dated March 17, 2020 indicating that the Commission has suspended its rules regarding the filing of paper copies, no such paper copies of this letter are being filed at this time.

Please contact me if there are any questions about this filing. Thank you for your assistance.

Very truly yours,

Susan S. Geiger
