**Re: DE 21-020 Public Service Company of New Hampshire d/b/a Eversource Energy and Consolidate Communications of Northern New England Company, LLC d/b/a Consolidated Communications (collectively, the “Joint Petitioners”)**

**Joint Petition to Approve Pole Asset Transfer**

Dear Chairman Goldner,

It just came to my attention that a footnote in the Reply Brief filed on behalf of Consolidated Communications contains an error. Footnote 9, on page 11, makes reference to VT Public Utility Commission Case 19-034-SC filed May 10, 2019. The filing date is incorrect and the correct date of the initial filing of that case was April 11, 2019. The corrected footnote in its entirety should have read:

9 With the approval of the pole sale in Vermont, Consolidated no longer pays vegetation management expenses attributable to Consolidated’s interests in poles purchased by Green Mountain Power. (See VT Public Utility Commission Case 19-034-SC filed April 11, 2019, and VTPUC Order entered June 7, 2019), with the parties to that transaction closing the sale of the poles on June 30, 2019

I apologize for the error. If the Commission or any party to this Docket want a revised Reply Brief filed with above date corrected, I am willing to do so. However, I wanted to first alert the Commission and the parties to the incorrect date via this letter filing.

Paper copies of this correspondence and the submissions enclosed herewith will not be filed pursuant to the Commission’s March 17, 2020, notice that the Commission temporarily has waived the requirements of Puc. 203.02.
