Re: DE 21-020 Public Service Company of New Hampshire d/b/a Eversource Energy and Consolidate Communications of Northern New England Company, LLC d/b/a Consolidated Communications (collectively, the “Joint Petitioners”)

Joint Petition to Approve Pole Asset Transfer

Dear Chairman Goldner,

On behalf of Consolidated Communications attached is the corrected confidential version of Exhibit MS/SD – 003 to the joint Prefiled Rebuttal Testimony of Mr. Michael Shultz and Ms. Sarah Davis. The version of the Exhibit filed on Friday, February 25, 2022, did not include an apportionment of the total pole plant additions for the estimated Eversource based pole plant and the enclosed Exhibit contains the necessary update in red. Please do not have the enclosed confidential version of Exhibit MS/SD – 003 posted on the Commission’s website. I will file shortly a public version of the Exhibit with the Commission.

This confidential submission is being filed pursuant to Puc. 203.08(g). Pursuant to Puc. 203.08(d), Consolidated hereby represents that it has a good faith basis for the requested confidential treatment of the material provided with this filing. The Joint Petitioners have filed a Motion for Protective Order and Confidential Treatment on January 31, 2022.

Paper copies of this correspondence and the submissions enclosed herewith will not be filed pursuant to the Commission’s March 17, 2020, notice that the Commission temporarily has waived the requirements of Puc. 203.02.

Please feel free to contact me with any questions.

Sincerely,

A handwritten signature in black ink that reads "Patrick C. McHugh".
