Procedural Order Re: Motion to Amend Procedural Schedule

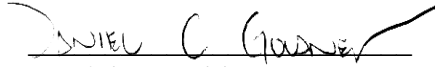

On November 16, 2021, the New Hampshire Department of Energy (Energy), with the assent of all parties other than ChargePoint, Inc. (ChargePoint), filed a motion requesting the Commission to approve the following changes to the current procedural schedule:

Energy/Office of the Consumer Advocate (OCA)/ Intervenor Testimony	November 23, 2021
Data Requests (DR) to Energy/OCA/Intervenors	December 6, 2021
Energy/OCA/Intervenor Responses to DRs	December 20, 2021

These changes would only partially amend the procedural schedule approved on May 4, 2021; the rest of the current procedural schedule would remain in effect. According to Energy, ChargePoint authorized Energy to represent that ChargePoint does not object to this motion.

It has been determined that the proposed amendments to the current procedural schedule are in the public interest. Therefore, Energy's Motion to Amend Procedural Schedule is GRANTED, and the foregoing amendments are approved. Please note that the February 7, 8, 11, and 15-16, 2022 hearings will be now conducted in person, beginning at 9:00 a.m., in accordance with the attached supplemental order of notice and hearing guidelines.

So ordered, this eighteenth day of November, 2021.
