PUBLIC UTILITIES COMMISSION**

**DE 21-030**

**UNITIL ENERGY SYSTEMS, INC.**

**Request for Change in Rates**

**Procedural Order Re: Motion to Amend Procedural Schedule**

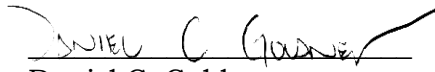

On November 30, 2021, Unitil Energy Systems, Inc. (Unitil), with the assent of the New Hampshire Department of Energy (Energy), the Office of the Consumer Advocate (OCA), Conservation Law Foundation, Clean Energy New Hampshire, and ChargePoint, Inc., filed a motion requesting Commission approval of the following proposed amended procedural schedule:

Data Requests (DRs) to Energy/OCA/Intervenors	December 8, 2021
Energy/OCA/Intervenor Responses to DRs	December 22, 2021

The proposed procedural schedule would partially amend the procedural schedule approved on November 18, 2021 by extending the foregoing deadlines by two days each; the rest of the current procedural schedule would remain in effect.

Although it is not known whether the New Hampshire Department of Environmental Services assented to this request, given the proposed brief extension, New Hampshire Administrative Rule Puc 203.07(e) is waived in this instance. No objections to the proposed amended procedural schedule have been filed. It has been determined that the proposed amended procedural schedule is in the public interest and, therefore, Unitil's motion to amend procedural schedule is GRANTED.

So ordered, this second day of December, 2021.

A handwritten signature in black ink, appearing to read "DANIEL C. GOLDNER", written over a horizontal line.
