Request No. Energy TS 1-12

Date of Response: 10/12/2021
Witness: Carole Beaulieu

REQUEST:

Please quantify the number of customers that would fall into the gap, that is the number of customers that would be disconnected before accumulating an arrears balance of \$300 that is 60 days past due?

RESPONSE:

There are 279 customers with a 60+ day arrears balance greater than \$100 but less than \$300 that would receive a warning notice and/or be subject to disconnection proceedings if the balance was not paid in full or another payment plan was not established.
