Application to Renew Registration as a Provider of Natural Gas
Aggregation Services
Staff Recommendation

TO: Debra Howland, Executive Director

On March 5, 2021, Trusted Energy, LLC (Trusted) filed an application to renew its registration as a provider of natural gas aggregation service. On March 31, 2021 Trusted filed a certificate from the Secretary of State and on May 19, 2021 filed a waiver request of Puc 3003.06. Trusted's current registration expires on March 18, 2021.

Staff has reviewed the application and has determined that the filing is complete and the application meets the requirements for registration under N.H. Code Admin. Rules Puc 3000. Staff notes that, pursuant to Puc 3003.06(a), Trusted's renewal application should have been filed at least 60 days prior to the expiration of the currently-effective registration, on or before January 17, 2021. Staff recommends that a waiver of Puc 3003.06(a) be granted under Puc 201.05 and that Trusted's application to renew its registration as a provider of natural gas aggregation services be approved, effective as of March 18, 2021, for a term of 2 years.
