SUBJECT: DM 21-058, Service King International Brokers LLC
Application to Renew Registration as a Provider of Electric
Aggregation Service
Staff Recommendation

TO: Debra A. Howland, Executive Director

On March 19, 2021, Service King International Brokers LLC (Service King) filed an application to renew its registration as a provider of electric aggregation service. Service King's currently-effective registration runs through March 7, 2021.

Staff has reviewed the application and has determined that the filing is complete and the application meets the requirements for registration under N.H. Admin. R., Puc 2000. Staff notes that, pursuant to Puc 2003.06(a), Service King's renewal application should have been filed at least 60 days prior to the expiration of the currently-effective registration, on or before January 6, 2021. Staff recommends that a waiver of Puc 2003.06(a) be granted and that Service King's application to renew its registration as a provider of electric aggregation service be approved, effective as of March 7, 2021, for a term of two years.
