RE: Docket No. DE 21-077  
Public Service Company of New Hampshire d/b/a Eversource Energy  
  
2021 Energy Service Solicitation

Dear Chair Goldner:

Enclosed please find the Petition of Public Service Company of New Hampshire d/b/a Eversource Energy ("Eversource") for its competitively procured default Energy Service ("ES") rate proposed for February 1, 2022. Consistent with the settlement agreement in Docket No. DE 17-113, Eversource has procured ES for customers in its Large and Small customer groups for the period of February 1, 2022 through July 31, 2022.

Accompanying this Petition is the testimony and supporting materials of Frederick B. White and Erica L. Menard explaining the competitive RFP process used by Eversource for procuring ES, the results of the solicitation, and the required adjustments that have led to the retail rates proposed to be charged to Eversource's ES customers. Consistent with N.H. Code Admin. Rules Puc 201.06 and 201.07 certain of the information relating to the RFP and the responses to it is being filed confidentially with the Commission.

If you have any questions, please do not hesitate to contact me. Thank you for your assistance with this matter.

Very truly yours,
