**PUBLIC SERVICE COMPANY OF NEW HAMPSHIRE
d/b/a EVERSOURCE ENERGY**

2021 Energy Service Solicitation

ORDER OF NOTICE

On April 15, 2021, Public Service Company of New Hampshire d/b/a Eversource Energy (Eversource, or the Company) filed a letter containing a proposed schedule for its next default energy service solicitation for the Company's large and small customer groups.

Pursuant to a settlement agreement approved by the Commission in Order No. 26,092 (December 29, 2017), Eversource issues separate requests for proposals (RFPs) for energy service supply for its customers twice a year for its large and small customer groups. The RFPs solicit 100 percent of power supply requirements for a six-month period beginning February and August each year for both customer groups.

The small customer group consists of customers taking service under Residential Rates R and R-Time of Day, General Service Rates G and G-Time of Day, and private area outdoor lighting associated with these accounts (Rate OL), and Rates OL and EOL (municipal lighting customers). The large customer group consists of customers taking service under Primary General Service Rate GV, Large General Service Rate LG, Backup Service Rate B, and OL rates for private outdoor area lighting associated with these accounts.

In this solicitation, Eversource will solicit power in approximately 100 megawatt tranches for 100 percent of the power supply for its small customer group, for the six-month period beginning August 1, 2021. Once it selects a supplier or suppliers, Eversource will set a fixed

monthly rate for the six-month period beginning August 1, 2021. For the large customer group, Eversource will solicit 100 percent of power supply requirements for the six-month period beginning August 1, 2021, and will set a monthly rate that will vary from month to month.

The petition and subsequent docket filings, other than any information for which confidential treatment is requested of or granted by the Commission, will be posted to the Commission's website at <https://www.puc.nh.gov/Regulatory/Docketbk/2021/21-077.html>.

The filing raises, *inter alia*, issues related to whether Eversource has procured energy service in a manner consistent with Order No. 26,092 and the principles of the electric utility restructuring statute (RSA 374-F:3,V(c)-(e)), and whether the rates resulting from Eversource's RFPs for default energy service supply are just and reasonable as required by RSA 378:5 and RSA 378:7. Each party has the right to have an attorney represent the party at the party's own expense.

Based upon the foregoing, it is hereby

ORDERED, that, consistent with Governor Christopher T. Sununu's Emergency Order #12, the Commission will hold a web-enabled remote Hearing, pursuant to N.H. Admin.
