PUBLIC SERVICE COMPANY OF NEW HAMPSHIRE d/b/a EVERSOURCE ENERGY

Petition for Electric Vehicle Make-Ready and Demand Charge Alternative Proposals

**DEPARTMENT OF ENERGY'S MOTION FOR REMOTE
ATTENDANCE AT HYBRID FORMAT HEARING**

NOW COMES the Department of Energy (the Department), a party to this proceeding, and moves that the Commission approve remote attendance by Department witness Dr. Sanem Sergici at the hybrid format hearing scheduled for July 14, 2022. By procedural order dated June 29, 2022, the Commission determined to hold the hearing in this matter through a hybrid hearing format to accommodate Christopher Villarreal, consultant for Conservation Law Foundation and Clean Energy New Hampshire. Like Mr. Villarreal, Dr. Sergici resides outside New England, and in fact she will be traveling outside the country on the hearing date; therefore, requiring her attendance in-person at the July 14th hearing would be most inconvenient and expensive. The Department does not believe that any other party would object to this request.

WHEREFORE, the Department respectfully requests that Dr. Sergici be permitted to appear remotely at the hybrid format hearing scheduled in this proceeding for July 14, 2022.

Respectfully submitted,

N.H. Department of Energy
By its Attorney,

/s/ David Wiesner
