**RE:** Docket No. DE 21-078 Petition for Electric Vehicle Make-Ready and Demand Charge  
Alternative Proposals  
Public Service Company of New Hampshire d/b/a Eversource Energy  
Comprehensive Settlement Agreement

Chair Goldner:

Public Service Company of New Hampshire d/b/a Eversource Energy (“Eversource”) is pleased to include for filing on behalf of all parties to the docket and consistent with Puc 203.20(e), a comprehensive settlement agreement and supporting attachments recommending the approval of Eversource’s EV make-ready program and EV demand charge alternative rate design proposals.

The attached settlement reflects the agreement of the Department of Energy, the Department of Environmental Services, the Office of the Consumer Advocate, Clean Energy New Hampshire, Conservation Law Foundation, ChargePoint, Inc. and Eversource, and resolves all open issues in this docket. The Settling Parties submit this settlement agreement and attachments for consideration by the Commission for the hearing scheduled on July 14, 2022. The live excel worksheet versions of the attachments (for those attachments that have them) have also been included for the Commission’s reference.

Consistent with current Commission policy this settlement agreement is being filed electronically only; paper copies will not follow. If you have any questions, please contact me. Thank you for your assistance with this matter.
