RE: Docket No. DE 21-078 Petition for Electric Vehicle Make-Ready and Demand Charge
Alternative Proposals
Public Service Company of New Hampshire d/b/a Eversource Energy
Witness Substitution Request

Chair Goldner:

Public Service Company of New Hampshire d/b/a Eversource Energy (“Eversource”) respectfully requests to substitute witness Kevin Boughan with Brian Morris for the recently scheduled follow-up hearing in this docket to take place on August 9, 2022.

Mr. Boughan has had long-standing plans to be on vacation in California that week, and will be unavailable to attend the hearing remotely. However, Mr. Morris is a senior analyst that reports directly to Mr. Boughan. More importantly, Mr. Morris was involved in all aspects of the development of the Eversource make-ready program proposal, and can answer any questions the Commissioners may have. Therefore, Eversource asks that Mr. Morris take the place of Mr. Boughan remotely at the hearing on August 9, as Mr. Morris is likewise located out of state.

Consistent with current Commission policy this is being filed electronically only; paper copies will not follow. If you have any questions, please contact me. Thank you for your assistance with this matter.
