Re: Docket No. DE 21-078, Eversource Energy Petition for Electric Vehicle
Make-Ready and Demand Charge Alternative Proposals
DOE Witness Unavailability

Dear Chairman Goldner:

This letter is intended to inform the Commission that Department of Energy (DOE) witness Dr. Sanem Sergici will be unavailable to attend the continued hearing in this matter scheduled for August 9, 2022, as she has had longstanding plans to be out of the country during that timeframe. If the Commission has questions for the DOE, then either witness Elizabeth Nixon can answer those questions or a record request can be issued for Dr. Sergici to provide a response.

Given the time sensitivity associated with this docket, DOE asks that the hearing proceed notwithstanding Dr. Sergici's unavailability, and the DOE will accommodate the Commission to the extent reasonably necessary.

Pursuant to current Commission policy, this filing is being made electronically only.

Sincerely,

/s/ David Wiesner
