Dear Executive Director

I request to be recognized as an intervenor in DW 21-090 regarding the Aquarion acquisition of New England Service company.

I represent the Bretton Woods Property Owners (BWPOA) association and am an intervenor in DW 17-165 and DW 19-131 regarding Abenaki water, a subsidiary of New England Service.

I realize the request is late, however I did not see the notice on the PUC web site.

My request is to be recognized as an intervenor in DW 21-090 and I plan to be on the call tomorrow, Friday May 14 at 2 pm.

Thank you.

Paul Mueller  
BWPOA
