Abenaki Water Company and Aquarion Company
Request for Approval of Acquisition

Docket No. DW 21-090

Petition of Jeni and Tyler Speck for Intervention

Pursuant to the Order of Notice issued by the New Hampshire Public Utilities Commission on 05/06/2021 in the above-captioned proceeding, N.H. Code Admin. Rules Puc 203.17, and RSA 541-A:32, Jeni and Tyler Speck hereby petitions for leave to intervene in this matter. In support of its petition, Jeni and Tyler Speck states as follows:

Rule Puc 203.17 provides that the Commission shall grant petitions to intervene in accordance with the standards of RSA 541-A:32. RSA 541-A:32, part of the Administrative Procedure Act, provides that a petition to intervene shall be granted upon a showing that the petitioner has “rights, duties, privileges, immunities or other substantial interests” that may be affected by the proceeding, and “the interests of justice and the orderly and prompt conduct of the proceedings would not be impaired by allowing the intervention.”

As ratepayers in the Abenaki water system in Bow, NH, we are currently intervening in a rate case which has the potential to be greatly impacted by this acquisition. For this reason and that we are rate payers which alone make us and affected party, these determinations may impact the rights, duties, privileges, immunities, or other substantial interests of Jeni and Tyler Speck. We are seeking party status as a ratepayer in the Acquisition of the Abenaki Water System, Jeni and Tyler Speck, 5 Old Coach road, Bow, NH 03304.

WHEREFORE, Jeni and Tyler Speck respectfully request that this honorable Commission:

- A. Grant the petition for intervention, and
- B. Provide any other such relief as it deems appropriate.

Sincerely,

Jeni and Tyler Speck
