Re: Aquarion Water Company, Docket No. DW 17 – 062, *Petition to Charge
Seasonal Rates for Emergency Interconnection*

Dear Executive Director Howland:

Please accept this letter as my appearance in this proceeding on behalf of the Town of North Hampton in the above captioned matter and add my contact information, below, to the official service list. I note that on April 25, 2017, the Town filed a *Petition to Intervene* in this proceeding which, based on the November 20, 2020 filing by Aquarion, is no longer moot and should be ruled upon by the Commission.

In addition, I have enclosed for filing a *Request for Hearing on Change in Rates* seeking an order of notice, hearing and related relief prior to approval of temporary or permanent rates in this proceeding as required by RSA 378:3 & 7 and the Commission's Puc 1600 rules.

If you have any questions, please contact me.

Very truly yours,

Justin C. Richardson
