**Re: Docket No. DW 21-093
Aquarion Water Company of New Hampshire, Inc.
Petition for approval of franchise expansion, acquisition of assets, and application of
existing rates**

Chair Martin:

Pursuant to the procedural order issued by the Public Utilities Commission (“Commission”) on October 18, 2021, attached for filing to Docket No. DW 21-093 is a joint motion to approve the proposed procedural schedule filed on behalf of Aquarion Water Company of New Hampshire, the New Hampshire Department of Energy, and Wiggin Way Homeowners Association. While all parties assented to the proposed hearing dates, only the aforementioned parties recommend moving directly to hearing in this matter.

Consistent with current Commission policy this petition is being filed electronically only; paper copies will not follow. If you have any questions, please contact me. Thank you for your assistance with this matter.
