Re: DG 21-104 Northern Utilities, Inc. – Revised Revenue Requirement

Chairman Goldner:

On behalf of Northern Utilities, Inc. (“Unitil” or the “Company”) I enclose revised Revenue Requirement Schedules (Confidential and Redacted versions) for filing in the above-referenced matter. As indicated in the Direct Testimony of Christopher Goulding and Daniel Nawazelski (see Exh. CGDN-1 at Bates 69, 72, 77, 80, 81, 94), the Company intended, at the time of its initial filing, to update the Schedules once certain information became known and measurable. For ease of reference, Unitil also encloses a Schedule Revision Summary identifying all of the updates by schedule. Unitil also encloses documentary support for the revisions. The result of the updates is a net increase to the Company’s revenue requirement of \$182,252.

Please note, at the time of its initial filing Unitil submitted a Motion for Confidential Treatment in connection with certain information in the Company’s Revenue Requirement Schedules. Specifically, the Company requested confidential treatment for Workpapers 1.1 and 1.2 supporting Schedule RevReq-3-2. The Commission has not yet ruled on the Company’s motion. As the same information is contained within the enclosed revised Revenue Requirement Schedules, Unitil hereby requests that the pending motion apply to these Schedules.

Please do not hesitate to contact me should you have any questions regarding the enclosed revised Revenue Requirement Schedules.

Sincerely,

A handwritten signature in black ink, appearing to read "Patrick H. Taylor", with a long horizontal flourish extending to the right.
