RE: Northern Utilities, Inc.,
Docket No. DG 21-104, Compliance Tariff Filing

Dear Chairman Goldner:

On behalf of Northern Utilities, Inc. (“Northern” or “the Company”) please find enclosed the Company’s compliance tariff pages in clean and red-lined versions. This filing is submitted in compliance with the Settlement Agreement filed on May 27, 2022 and the NHPUC Order No. 26,650 in the above referenced proceeding. The effective date of these tariff pages is August 1, 2022.

Please note that Second Revised Page 100 of Northern’s tariff, as submitted in the settlement agreement, inadvertently omitted language that was previously approved. When this omitted language was reapplied to the tariff page, there was insufficient space to include all of the language on the page. As a result, Northern has added Original Page 100A to the tariff to in order to include the additional language.

Please do not hesitate to contact me if you have any questions concerning this filing.

Thank you for your assistance with this matter.

Regards,
