RE: Docket No. DE 21-109  
Public Service Company of New Hampshire d/b/a Eversource Energy  
2021 Transmission Cost Adjustment Mechanism

Dear Chair Martin:

Enclosed for filing is Public Service Company of New Hampshire d/b/a Eversource Energy's ("Eversource" or the "Company") Petition for Approval of Change in Transmission Cost Adjustment Mechanism ("TCAM"). Accompanying the petition are the testimony and exhibits of Erica L. Menard, James E. Mathews, Jennifer A. Ullram, and David J. Burnham, supporting Eversource's request.

Eversource is requesting approval of a forecasted retail transmission rate to be effective August 1, 2021, for a twelve-month billing period, as well as approval of the reconciliation of transmission costs and recoveries for the period of January 2020 through July 2021. The overall average rate for the TCAM is proposed to be 2.813 cents per kWh as compared to the current overall average rate of 2.758 cents per kWh.

If you have any questions, please do not hesitate to contact me. Thank you for your assistance with this matter.

Very truly yours,

Matthew J. Fossum
