**RE: Docket No. DE 21-109 - 2021 Transmission Cost Adjustment Mechanism
Public Service Company of New Hampshire d/b/a Eversource Energy**

Chair Martin:

Attached is a supplement to the July 8 Transmission Cost Adjustment Mechanism rate filing for Public Service Company of New Hampshire d/b/a Eversource Energy. The supplement is a single-page attachment that was supposed to be the final page of the original filing, but was truncated and therefore not included in the original filing. The attached page has the appropriate header and Bates page number to be included as the final page to the July 8 filing. This supplemental filing does not affect the original filing whatsoever, except to add this as the final page.

Following the March 17th letter of the Commission this petition is being filed electronically only; paper copies will not follow. If you have any questions, please contact me. Thank you for your assistance with this matter.
