Re: DW 21-\_\_\_ – Pennichuck Water Works, Inc. and Anheuser-Busch, LLC  
Request for Approval of Special Contract

Dear Director Howland:

Pursuant to the Commission's temporary electronic filing requirements, enclosed please find for filing Pennichuck Water Works, Inc.'s petition, pre-filed testimony, cost of service, and statement of special circumstances. This filing is being provided electronically and one paper copy is being provided for the Commission's archives.

The present fourth contract between the parties is set to expire June 30, 2021 and the proposed fifth special contract is proposed to start July 1, 2021. Given the delay in the parties' ability to complete the proposed contract, as part of its request for approval of the fifth contract, Pennichuck Water Works, Inc. requests the Commission authorize Pennichuck Water Works, Inc. to continue to bill Anheuser-Busch, LLC under the fourth contract until the fifth contract is approved and to reconcile payments made under the two contracts after Commission approval. That request is contained within the attached petition.

Thank you for your assistance with this filing. Please do not hesitate to contact me if you have any questions.

Very Truly Yours,

A handwritten signature in black ink that reads "Marcia A. Brown".
