Letter Motion Modifying Assented-to Motion to Approve Procedural Schedule

Dear Chairman Goldner:

On March 11, 2022, the parties to this docket filed an assented-to motion to approve a procedural schedule to govern this proceeding. Since filing that motion, it has come to the attention of the parties that the Commission has scheduled a hearing for May 11, 2022 which requires the participation of the Department of Energy's staff who would otherwise be attending the technical session proposed in this docket.

Therefore, in light of the schedule conflict that exists for the Department's staff, the parties request the technical session now be held on May 10th at 9 AM instead of on May 11th. The parties respectfully request the Commission approve the motion with this modification.

Thank you for your assistance with this filing.

Very Truly Yours,
