Re: DW 21-115 Pennichuck Water Works, Inc.-Anheuser Busch Special Contract
Supplemental Testimony, Revised Cost of Service Study and Special Contract

Dear Chairwoman Martin:

On June 4, 2021, Pennichuck Water Works, Inc. (PWW) filed a petition for approval of a 5th special contract with one of PWW's largest users, Anheuser-Busch, LLC. On October 18, 2021, PWW notified the Commission that due to usage changes among PWW's other large water users, the proposed rate for Anheuser-Busch needed to be revised, downward.

In light of those changes, PWW attaches hereto supplemental testimony of Mr. Donald Ware which explains the changes and how those changes affect Anheuser-Busch's special contract. Attached to Mr. Ware's testimony is a revised cost of service model and a track-change version of the special contract which shows the changes to the rates.

If you have any questions concerning this filing, please feel free to contact me. PWW anticipates that the Department of Energy and the Office of the Consumer Advocate will conduct discovery and PWW looks forward to answering any questions they have. Thank you in advance for your assistance with this filing.

Very Truly Yours,
