**Re: Docket No. DE 21-117
Public Service Company of New Hampshire d/b/a Eversource Energy
Petition for Adjustment of Stranded Cost Recovery Charge**

Dear Chairman Goldner:

Enclosed for filing with the New Hampshire Public Utilities Commission (the "Commission") on behalf of Public Service Company of New Hampshire d/b/a Eversource Energy ("Eversource" or the "Company"), please find the Company's Updated Petition requesting approval to adjust its Standard Cost Recovery Charge ("SCRC") for effect on February 1, 2022 pursuant to Puc 202.01(a) and Puc 203.06, the requirements of RSA 374-F:3 and RSA 369-B:3, the Agreement to Settle PSNH Restructuring (Revised and Conformed) in Docket No. DE 99-099 ("Restructuring Settlement"), the 2015 Public Service Company of New Hampshire Restructuring and Rate Stabilization Agreement in Docket No. DE 14-238 (the "2015 Agreement"), and Order No. 26,099 (January 30, 2018) in Docket No. DE 17-096. In support of this Updated Petition, Eversource encloses the updated supporting testimony and exhibits of Erica L. Menard. As stated in Ms. Menard's updated testimony, Eversource is proposing a specific SCRC rate and separate adders at this time, based on estimates with current data prior to a hearing on the merits for purposes of Commission approval.

As set forth in the enclosed testimony, the Company respectfully requests that the Commission schedule a hearing expeditiously and approve the Petition no later than January 25, 2022, to allow for rates effective February 1, 2022.

Please contact me if you have any questions.

Sincerely,

Jessica Buno Ralston
