**Re: Northern Utilities, Inc.
Docket No. DG 21-123; Compliance Tariffs**

Dear Chairman Goldner:

On February 25, 2022, Northern Utilities, Inc. ("Northern") filed updated tariff pages in compliance with Commission Order No. 26,581 (February 15, 2022) in the above referenced proceeding for effect March 1, 2022, and May 1, 2022. Since that time, Northern has identified one tariff page, Eighth Revised Page No. 62, that was submitted with an incorrect effective date of March 1, 2022. As a result, Northern now seeks to withdraw that tariff page and replace it with the attached corrected tariff page. This corrected tariff page shows the effective date as May 1, 2022, but is otherwise identical to the previous page submitted on February 25.

Thank you for your attention to this matter, and please do not hesitate to contact me with respect to this submission.

Sincerely,
