Re: DG 21-130 Liberty Utilities (EnergyNorth Natural Gas) Corp. d/b/a Liberty
Winter 2021-2022 Cost of Gas, Summer 2022 Cost of Gas
Joint Exhibit List and Joint Witness List

Dear Chairwoman Martin:

Enclosed please find the parties' joint exhibit list for the purpose of identifying and numbering exhibits, as required by the hybrid hearing guidelines issued in this docket. The Department of Energy (Energy) agreed, with all parties' assent, to file the joint exhibit list, which includes exhibits identified by Liberty EnergyNorth and by Energy. The Office of Consumer Advocate has not identified any exhibits.

Energy has also agreed, with all parties' assent, to file a joint witness list, enclosed herewith. The list identifies Liberty Utilities Service Corp. employees as witnesses for Liberty EnergyNorth. Energy and the Office of the Consumer Advocate have not identified any witnesses.

The Department of Energy (Energy) reserves the right to identify additional witnesses and exhibits based upon EnergyNorth's response to Energy's technical data requests, set 1. EnergyNorth's responses are due on October 21, 2021. Traditionally, the "close of business deadline" for filing data responses is 4:30 p.m.

Energy has asked Liberty EnergyNorth to mark its red-lined updated petition, including attachments and schedules, as an exhibit. As of this filing, Liberty has not confirmed that it will file a red-lined updated version for reference at hearing.

Energy and Liberty EnergyNorth shall pre-file identified exhibits electronically under separate cover.

Pursuant to the Commission's March 17, 2020 secretarial letter identifying temporary changes in Commission filing requirements due to the COVID-19 State of Emergency, the enclosed exhibit list and witness list are only being filed electronically.

Thank you.

Sincerely,

/s/ Mary E. Schwarzer
