Re: Docket No. DG 21-130 Liberty Utilities (EnergyNorth Natural Gas) Corp. d/b/a
Liberty Winter 2021/2022 Cost of Gas Filing and Summer 2022 Cost of Gas Filing

Dear Chairwoman Martin:

Please enter my appearance in the above referenced docket on behalf of the Department of Energy (Energy) Division of Regulatory Support. In addition, please also include Tomas Franz (tomas.c.franz@energy.com), and Amanda Noonan, (amanda.o.noonan@energy.nh.gov) on the service list.

Energy has not identified an Analyst to be included on the service list at this time. Stephen Frink, the former Director of the Gas Division, retired in June. Another Analyst—who has handled cost of gas (COG) dockets for many years—also left the then Public Utilities Commission Staff fairly recently. Gas Analysts have not yet been replaced.

Thank you for your attention to this matter. (I am aware of the prehearing conference and technical session scheduled for tomorrow.)

Sincerely,

/s/ Mary E. Schwarzer
