Dear Chairman Goldner:

**Re: DG 21-130; Liberty Utilities (EnergyNorth Natural Gas) Corp. d/b/a Liberty
Summer 2022 Cost of Gas – August 2022 Monthly Cost of Gas Adjustment**

On May 20, 2022, Liberty filed a Motion to Increase Summer 2022 Cost of Gas Rates. In response to that filing, the Commission issued Order No. 26,632, suspending proposed tariffs and granting a hearing on the aforementioned motion on July 13, 2022.

On July 15, 2022, the Commission issued Order No. 26,649 in DG 21-130, approving, on a fixed basis, an amended summer 2022 Cost of Gas (COG) rate for effect on August 1, 2022. In addition, the Commission ordered that the Company file a compliance tariff with the Commission on or before August 1, 2022.

Given Order No. 26,649, the Company does not request to change the approved rate for August 2022.

Thank you for your attention to this matter. Please do not hesitate to call if you have any questions.

Sincerely,
