**REQUEST:**

Explain the changes implemented in Docket No. DG 20-105 compared to Docket No. DG 17-048 regarding RLIAP revenue and how it is treated in FCOS and the Rate Design Model.

**RESPONSE:**

The low income revenue change implemented in Docket No. DG 20-105, as compared to Docket No. DG 17-048, is that the discount provided to low-income customers shall no longer be included in the revenue calculation within the FCOS and the Rate Design Model, as it is reconciled separately through the Gas Assistance Program (GAP) portion of the LDAC.
