**Re: Northern Utilities, Inc.  
Docket No. DG 21-131; Cost of Gas Tariffs Pages**

Dear Chairman Goldner:

On December 21, 2021, Northern Utilities, Inc. (“Northern”) filed updated tariff pages in compliance with NHPUC Order No. 26,539 in the above referenced proceeding for effect January 1, 2022. Northern now seeks to withdraw the following tariff pages from that filing:

Supplement No. 1, Second Revised Page 4, Winter Season Residential Rates,  
Supplement No. 1, Second Revised Page 5, Winter Season C&I Rates.

These pages are being withdrawn because they are provided in a separate filing regarding Northern’s Local Distribution Adjustment Charge (“LDAC”) in Docket No. DE 20-092<sup>1</sup>. The LDAC filing with these tariff pages, submitted on December 22, 2021, for effect January 1, 2022, is currently pending Commission approval.

Northern’s December 21<sup>st</sup> filing also includes Ninth Revised Page 42, Calculation of Firm Sales Cost of Gas Rate. This tariff page is not being withdrawn and is still in effect subject to stamped approval by the Commission.

Thank you for your attention to this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "Patrick Taylor", written over a horizontal line.

Patrick Taylor  
Senior Counsel

<sup>1</sup> The LDAC filing included the rate summaries as Supplement No. 1, First Revised Page 4 and First Revised Page 5.
