Re: Northern Utilities, Inc., New Hampshire Division - Docket DG 21-131
July 2022 Monthly Cost of Gas Report

Dear Chairman Goldner:

Pursuant to Commission Order No. 26,539 (October 29, 2021) in Docket No. DG 21-131, enclosed is Northern Utilities - New Hampshire Division's ("Northern") current calculation of its projected over or under-collection of gas costs for the 2021-2022 summer season.

Northern's current calculation has been updated to reflect actual costs and revenues for May and June 2022 and NYMEX futures prices as of July 19, 2022. The updated calculations indicate that a rate change is not required at this time. Support for this decision is provided in the attached summary and tables.
