**Re: Docket No. DG 21-132; Liberty Utilities (EnergyNorth Natural Gas) Corp.  
Keene Division 2021/2022 Winter Cost of Gas**

Dear Chairwoman Martin:

On behalf of Liberty Utilities (EnergyNorth Natural Gas) Corp., and in compliance with the Commission's record request issued this date, attached please find the *Confidential* Keene Division Cost of Gas model.

The model contains information that is presumed confidential in cost of gas proceedings pursuant to Puc 201.06(a)(11), which confidential information cannot be segregated in a live Excel file. Therefore, only a confidential version is being filed.

Also note that the Company will mark a "locked" version of this file as an exhibit to be offered as evidence at hearing, rather than the attached file. The Company believes it most appropriate to have a locked file become the official record before the Commission and not a document that could be altered after admitted into evidence. Thank you.

Sincerely,

A handwritten signature in black ink, appearing to read "M. Sheehan", written in a cursive style.
