Re: DE 21-133 Low Income Electric Assistance Program, 2021-2022 Electric Assistance Program Budgets, *Department of Energy, Remote Participants for Hybrid Prehearing Conference*

Dear Chair Goldner:

On January 18, 2022, the Public Utilities Commission (Commission) issued a procedural order in this docket granting, *inter alia*, Eversource Energy's request for a hybrid hearing format. Once a hybrid format is granted, all participants are welcome to participate remotely so long as notice is provided. *See Procedural Order (January 18, 2022).*

The Department of Energy (DOE) respectfully provides notice that both Amanda O. Noonan, Director of Consumer Services and I shall attend the hearing remotely from our individual offices at the Department of Energy in Concord. This will make our use of technology easier, including but not limited to the ability to view all participants in one glance, at the same time (on WebEx).

Thank you for your attention to this matter.

Sincerely,

/s/ Mary E. Schwarzer
