**ASSENTED-TO MOTION TO MODIFY PROCEDURAL SCHEDULE**

NOW COMES Northern Utilities, Inc. (“Northern” or “the Company”) and, pursuant to N.H. Admin. Rule Puc 202.04, respectfully moves the New Hampshire Public Utilities Commission (“the Commission”) to modify the procedural schedule in the above-captioned docket to reschedule the October 17, 2022 Technical Session to October 18, 2022 at 2:30 P.M., and to reflect that the Technical Session will be held via videoconference. In support of this Motion, Northern states as follows:

1. On October 3, 2022, the Commission issued a Procedural Order Re: Proposed Procedural Schedule which included a Technical Session to be held October 17, 2022, but did not specify a time for that session.
2. When the parties conferred to establish a time for the scheduled Technical Session, they were unable to find a mutually agreeable time to meet on October 17, 2022. The parties did, however, agree to hold the Technical Session via videoconference on October 18, 2022 at 2:30 P.M.

4. Rescheduling the Technical Session as described above will not unduly delay the proceeding or adversely affect the rights of any party, as the rest of the procedural schedule adopted by the Commission will remain in place.

5. In accordance with N.H. Admin. R. Puc 202.04 (b), the undersigned has made a good faith attempt to obtain the other parties' assent to this Motion. The New Hampshire Department of Energy, the Office of Consumer Advocate, and Foss Manufacturing Company, LLC all assent to the relief requested herein.

WHEREFORE, Northern respectfully requests that the Commission:

- A. Modify the Procedural Schedule in this docket to change the October 17, 2022 Technical Session to October 18, 2022 at 2:30 PM, and to reflect that the Technical Session will be held via videoconference; and
- B. Grant such additional relief as is just and appropriate.

**NORTHERN UTILITIES, INC.**
