Re: DW 22-002 Pennichuck Water Works, Inc.; Pennichuck East Utility, Inc.;

Miscellaneous Utility Service Fees  
Remote Prehearing Request

Dear Chairman Goldner:

The Commission has scheduled a prehearing and technical session in this docket for March 30, 2022 at 9 AM. Pursuant to the Commission's hearing guidelines dated February 17, 2022, Pennichuck Water Works, Inc.; Pennichuck East Utility, Inc.; and Pittsfield Aqueduct Company, Inc. hereby request that the Commission authorize remote attendance accommodations at this prehearing.

This prehearing was scheduled for a date and time when a company officer necessary for the prehearing will be out of state on a previously scheduled obligation. In order to keep the March 30, 2022 prehearing, have the required officers in attendance, and to not delay this proceeding, the Companies request that the Commission allow remote participation by Donald L. Ware. Counsel and the remaining Company officers will attend the prehearing in-person.

Regarding the technical session following the prehearing, the Companies will bring in Mr. Ware remotely themselves and will not require accommodation from the Commission.

Thank you in advance for your consideration of this request.

Very Truly Yours,
