RE: Docket No. DE 22-004
Public Service Company of New Hampshire d/b/a Eversource Energy

Chair Goldner:

At the May 19, 2022 hearing in this docket, Commissioner Chattopadhyay made a request of Public Service Company of New Hampshire d/b/a Eversource Energy (“Eversource”) to provide support for the estimates for costs to administer the Clean Energy Fund, both with and without the reporting and administrative requirements of Order No. 26,577. Attached to this filing is Eversource’s response to that request.

Following the March 17th letter of the Commission this petition is being filed electronically only; paper copies will not follow. If you have any questions, please contact me. Thank you for your assistance with this matter.
