**Re: DE 22-009; Liberty Utilities (Granite State Electric) Corp. d/b/a Liberty
Joint Petition to Alter Franchise Areas in the Town of Bath**

Dear Chair Goldner:

On behalf of Liberty Utilities (Granite State Electric) Corp. d/b/a Liberty, and in compliance with the April 28, 2022, notice of adjudicative proceedings in this docket, attached are the “documents in support of [Liberty’s] representation that it will assume responsibility for extending electric service to the Property ... including details of the proposed service extension required and financial details supporting the extension.”

The Department of Energy (DOE) submitted a concise and thorough set of data requests to Liberty and to the Woodsville Water and Light Department, which data requests parallel the Commission’s request for documents quoted above. Given the comprehensive nature of those data requests and of the Company’s and Woodsville’s responses, the Company has elected to respond to the Commission’s request for documents by providing Liberty’s answers to the DOE data requests, which include the Company’s supplemental response to DOE 1-1 (Bates 001-014), and Woodsville’s responses (Bates 015-026). Also attached are the live Excel files Liberty submitted as Attachment DOE 1-1.1 and Attachment DOE 1-2.4.

Note that the Company has also attached the DOE franchise map that is referenced in DOE 1-7 (labelled "781 Monroe Road Bath Map").

Thank you.

Sincerely,
