AND WOODSVILLE WATER AND LIGHT DEPARTMENT**

**Joint Petition to Alter Franchise Areas in the Town of Bath**

**COMMENCEMENT OF ADJUDICATIVE PROCEEDING  
AND NOTICE OF PREHEARING CONFERENCE**

On February 28, 2022, Liberty Utilities (Granite State Electric) Corp. d/b/a Liberty (Liberty) and Woodsville Water and Light Department (Woodsville) (together, the Joint Petitioners) filed a joint petition to modify their respective franchise areas in Bath, New Hampshire regarding property located at 781 Monroe Road in Bath (the Property). In support of their petition, they filed Exhibits A and B showing the location of the Property and the proposed change to the franchise map. The petition and subsequent docket filings, other than any information for which confidential treatment is requested of or granted by the Commission, are available on the Commission's website at [www.puc.nh.gov/regulatory/Docketbk/2022/22-009.html](http://www.puc.nh.gov/regulatory/Docketbk/2022/22-009.html).

**I. BACKGROUND AND PROCEDURAL HISTORY**

Woodsville is a municipal corporation, which provides electric service to an area that includes parts of Bath, New Hampshire. Liberty is a public utility, which also provides electric service to parts of Bath. In their petition, the Joint Petitioners stated that Mary Ann and Stephen Rood (the Customers) are building a new home at 781 Monroe Road in Bath, within Woodsville's franchise area and about one quarter mile from Woodsville's electric facilities. Exhibit A to the petition shows that the Property is located next to Liberty's existing franchise area. According to the Joint Petitioners, the Customers requested that Woodsville provide electric service to the Property, but Woodsville declined.

The Joint Petitioners represented that Liberty has agreed to provide electric service to the Property, which is approximately one quarter mile from Liberty's closest facilities. They maintained that the Customers agreed to contribute the required amount toward Liberty's cost of extending electric service, in accordance with Liberty's tariff for new service connections, so that there would be no burden on existing Liberty customers. The Joint Petitioners stated that they agree to modify their respective franchise boundaries to permit Liberty to provide electric service to the Customers. They contended that, without this modification, the Customers would be unable to obtain electric service to the Property.

On April 12, 2022, the New Hampshire Department of Energy (DOE) filed an appearance in this proceeding. The DOE stated that it anticipates filing an analysis of the Joint Petitioners' request.

## **II. ISSUES PRESENTED**

The filing presents, *inter alia*, the following issues: whether Liberty can furnish reasonably safe and adequate, and in all other respects, just and reasonable electric service and facilities to the Property, as required by RSA 374:1; whether Liberty should be allowed to expand its franchise under RSA 374:22 to include the Property; and whether modification of Liberty's and Woodsville's franchise boundaries, to transfer the portion of Woodsville's service territory containing the Property to Liberty's franchise area, would be for the public good under RSA 374:26. Accordingly, an adjudicative proceeding will be convened to address these issues.

The Commission will be conducting the prehearing conference and any hearings scheduled in this matter in person. The Commission will consider requests to conduct hearings using a hybrid format to permit remote participation by a specific individual only if the Commission has determined that a sufficient reason has been provided for why that individual would be unable to attend in person. Any party requesting that a specific individual be permitted to participate remotely should file a written request with the

Commission's Clerk's Office no later than fifteen (15) days prior to the prehearing conference or hearing date. If the Commission determines that one or more individuals will be permitted to appear remotely, then individuals in the Commission's hearing room, including the Commissioners, will be broadcast on a web-enabled platform.

**Based upon the foregoing, it is hereby**

**ORDERED**, that an adjudicative proceeding be commenced for the purpose of reviewing and resolving the foregoing issues pursuant to RSA chapter 541-A, RSA 374:1, RSA 374:22, RSA 374:26, and the Commission's procedural rules; and it is

The petition shall state the facts demonstrating how the petitioner's rights, duties, privileges, immunities, or other substantial interests may be affected by the proceeding, consistent with N.H. Admin. R., Puc 203.17; and it is

**FURTHER ORDERED**, that any party objecting to a petition to intervene make said objection on or before June 10, 2022; and it is

**FURTHER ORDERED**, that parties shall file any proposed exhibits, written testimony, motions, or other documents intended to become part of the record in this proceeding with the Commission.
