RE: DE 22-011 Public Service Company of New Hampshire d/b/a Eversource Energy
Line Extension Rate Filing

Chair Goldner:

On March 28, 2022 Public Service Company of New Hampshire d/b/a Eversource Energy (“Eversource”) filed a revision to its annual line extension rate to incorporate recommendations from the New Hampshire Department of Energy. Attached as a part of that filing was a revised tariff page 25, which was not supposed to be a part of this filing, but was inadvertently included. That page has now been removed, and the attached corrected filing contains the only tariff page being proposed for revision – page 26. This corrected filing should replace yesterday’s filing in its entirety.

With the exception of the removal of a revised tariff page 25, there are no other changes to this filing. Following the March 17th letter of the Commission this petition is being filed electronically only; paper copies will not follow. If you have any questions, please contact me. Thank you for your assistance with this matter.
